TACKLES

---

---

\*Ed Siminski (Captain) 29 6'2" 197 Senior Toledo, O.

Along with Knecht, Captain Ed Siminski is being boomed this season for All-Ohio honors. Siminski was an all-city selection when he played football for Toledo Scott High School. One of the smartest ball players on the team, he is expected to end his third year of University play in a blaze of glory.

\*Adolph Malaras 30 6'1" 190 Senior Pemberville, O.

An excellent all-around athlete makes "Duff" an ideal man to team with Captain Siminski at tackle. An end last year, he has been moved in to the tackle position to bolster the center. He is George Malaras' brother.

\*John Klenner 21 5'11" 210 Senior River Rouge, Mich.

John, when combined with Ihnat, give Bowling Green a pair of 210-pound tackles, two of the heaviest in Falcon history. He played high school ball at ~~Waxville~~ River Rouge.

Walter Roper 15 6'2" 180 Sophomore Webster, O.

Experience is all that this player needs to make him a first-rate tackle.

Emil Ihnat 33 6' 210 Sophomore Lakeside, O.

A brother of the famous "Jonesy" Ihnat of bygone days, this big fellow handles himself well, shows a love for the game, and will doubtless see much action at tackle this season. He and Klenner can be thrown into the line whenever weight is required.

Paul Becker 25 6'2" 183 Sophomore Rockford, O.

Paul is a big fellow who plays hard and is a stubborn man to move out of his position.

## CENTERS

---

Carlton Riddle	31	5'9"	220	Senior	Willard, O.
----------------	----	------	-----	--------	-------------

"Tiny" has a snappy spirit that inspires the team. A good center on offense, he keeps his part of the field well under control. He had his prep training in Willard High School.

Lyman Keown	25	5'10"	171	Senior	Flint, Mich.
-------------	----	-------	-----	--------	--------------

"Abe" played tackle last season, but is being shifted to the pivot position. He will probably see much service before the year is over. Active in student affairs, "Abe" is a member of the Student Council and student director of intramural athletics. Last year he was sports editor of the college weekly newspaper.

Pete Clark	17	5'10"	176	Sophomore	Fostoria, O.
------------	----	-------	-----	-----------	--------------

"Potsy" is a promising sophomore. He may develop into a first class ball-snapper before the season is over.

Tom Tabler	2	5' 11"	187	Sophomore	Liberty Center, O.
------------	---	--------	-----	-----------	--------------------

Last year, as a freshman, Tom was a standout in the line, and it is probable that he will see much action passing the ball back this year.

## QUARTERBACKS

---

*Archie Steele	5	5'5"	135	Senior	River Rouge, Mich.
----------------	---	------	-----	--------	--------------------

"The Canny Scot" was good enough last year to rate a spot in the National Football Magazine and is in this year's check list for All-American honors. He is one of the lightest backs in collegiate football. A good signal-caller, a fine passer, he makes up for his lack of size.

John Falls	14	5' 10"	159	Sophomore	Erie, Pa.
------------	----	--------	-----	-----------	-----------

A smart lad, John shows fine possibilities at the signal-calling job. A good safety man and a hard runner make him one of the outstanding sophomores on the squad.

Ed Mussill	35	5' 11"	170	Junior	River Rouge, Mich.
------------	----	--------	-----	--------	--------------------

A broken thumb kept Ed out of action last year, but it will be hard to keep him out of the lineup this season because of his passing, kicking, and blocking ability. In addition to this, he is a good man on pass defense.

One of the smartest ball players on the team, he is expected to end his third year of University play in a blaze of glory.

An excellent all-around athlete makes "Duff" an ideal man to team with Captain Siminski at tackle. An end last year, he has been moved in to the tackle position to bolster the center. He is George Madaras' brother.

John, when combined with Innat, give Bowling Green a pair of 210-pound tackles, two of the heaviest in Falcon history. He played high school ball at ~~Wapakoneta~~ River Rouge.

Walter Roper 15 6'2" 180 Sophomore Webster, O.

Experience is all that this player needs to make him a first-rate tackle.

Emil Innat 33 6' 210 Sophomore Lakeside, O.

 HALFBACKS  
 -----

\*Steve Brudzinski 28 5' 8" 166 Junior Fremont, O.

When the season is over, this fast halfback should have one of the best ground-gaining records in this section of the state. A hard runner, he combines speed with power to make him a menace at all times. He will also do a large share of the passing and kicking.

\*Ted Grignon 3 5' 8" 146 Junior River Rouge, Mich.

Although he does not carry much weight, Ted runs hard. His speed and timing make him one of the shiftiest and most dangerous open-field runners on the Falcon roster. He also rates as a Class "A" passer.

Dewey Johnson 27 6' 2" 175 Sophomore Edgerton, O.

Although he had no high school experience, this tall player shows great promise in the backfield. Great driving power and speed make him an ideal runner.

Ralph Foster 34 5' 10" 161 Junior Mt. Blanchard, O.

Foster specializes in snaring passes and is also a good open field runner.

Winston Parks 6 5' 10" 165 Sophomore Flint, Mich.

"Winnie" is one of the best punters on the squad, and he also runs well in the open field.

Ellsworth Nibeck 22 5' 10" 174 Junior Fostoria, O.

Speed makes this back dangerous whenever he handles the ball. He is also a fine drop-kicker.

Howard Morrette 12 5' 8" 150 Sophomore Trilby, O.

Experience and seasoning will make this youngster a threat.

Eddie Wellner 4 5' 11" 150 Sophomore River Rouge, Mich.

This blond speedster runs the ends and reverses well. As well as being a good blocker and a hard tackler, he is one of the gamest players on the team.

---

FULLBACKS

---

\*Chuck Catanese 13 5'7" 171 Junior Rochester, Pa.

After a season of stellar play at the center post, Chuck has been moved into the backfield as a fullback. Coach Ockerman is depending upon him to plunge for precious yards. He is a fine blocker and backs up the line. Chuck says that he likes the number 13 on his jersey--believes it is an omen of a good season.

---

\*Paul Miles 25 5'8" 169 Senior Findlay, Ohio

Last year a fine blocking and kicking back, Paul can be depended on to turn in the same fine performance again this year.

---

Dick Leathers 0 5'11" 186 Sophomore Middletown, Ohio

Plenty of weight and drive with a little more experience should make Leathers into a much-needed line-plunging back for the Falcons in the future.
