The University . . .

Bowling Green State University is an integral part of the system of higher education maintained by the State of Ohio. It is governed by a Board of Trustees appointed by the Governor and is supported almost entirely by legislative appropriations.

A 1910 General Assembly act authorized an appointed commission to seek a site in northwestern Ohio for a new normal school. Bowling Green was selected and trustees were appointed in 1911 with the first president elected in 1912.

The college known as Bowling Green Normal College opened in temporary quarters in September 1914, and one year later moved into two new buildings on the present campus.

In 1929 the General Assembly changed the name to Bowling Green State College. The present name was authorized by the 1935 Assembly.

The university is composed of four main divisions: College of Education, College of Liberal Arts, College of Business Administration and the Graduate School. Courses are offered in forty-three different departments, and the school is recognized by most accrediting agencies.

The university is located on a tract of 240 acres in the northeastern part of Bowling Green. Over fifty campus buildings are available this year. An addition to the library and conversion of the old heating plant building into a journalism building are the only building projects in process.

The city of Bowling Green with a population of 7,800 is located 25 miles south of Toledo at the intersection of U. S. routes 25 and 6. The New York Central railroad, a branch of the Baltimore and Ohio and Greyhound bus lines, serve the city.

The university is co-educational with a 1951 spring enrollment of 3,743. The breakdown shows 2,135 men and 1,608 women. The anticipated enrollment for 1951-52 is 3,400. The highest pre-war enrollment was 1,601.

The Coach . . .

Robert H. (Bob) Whittaker is one of Ohio's most successful football coaches both as a scholastic and collegiate mentor.

Whittaker is beginning his twenty-third year as a coach with the start of the 1951 season. Twenty-two of these years he has served as a head coach, only in his first year in the profession did he work as an assistant.

Coming out of college in 1929, Bob signed to aid Jim Nicholson in football and track at Sandusky, Ohio high school. Nicholson left the next year for University of Toledo and the young Miami star took over and started his climb up football's ladder of success by quickly raising the Blue Streaks to a gridiron power.

From 1932 to 1936 the Streaks won 38 consecutive games—five more than amassed at Massillon by the popular Paul Brown. The 1931, 1933, 1934, 1935 and 1938 teams were undefeated. He developed such later Ohio State stars as Charles Maag, Edward Bruckner and Leonard Thom. His 11-year record as the Streaks' head man reads—87 victories, 20 defeats and 2 ties.

Meanwhile, Frank J. Prout, the progressive Sandusky superintendent of schools, moved to Bowling Green as president. In 1941 a reorganization in the athletic department called for a new head football coach. Whittaker was induced to leave the fine Sandusky setup and take over the Falcons.

In his initial season, the Falcons chalked up one of the best records in the state with seven victories against one defeat and a tie. At the end of the season Whittaker was nominated as an Ohio candidate for the "coach of the year" award.

During the four war years Bob kept football alive in BG, often piecing together teams composed of Navy V-12 men and civilians but always managed a winning season. In the five year post war period, the 1948 season was most successful as the Falcons were unbeaten. A 13-all tie with John Carroll was the only mar on the slate. The last two years have been Whittaker's poorest of his fine coaching career. In 1949 the Falcons won four of nine while last year's record showed three wins, four losses and two ties. Whittaker's 10-year coaching mark at BG reads—52 wins, 29 losses and 6 ties for an overall coaching mark of 139 victories, 49 losses and 8 ties for a respectable .729 average.

Born in Greenville, Ohio, Bob attended high school at Lorain and Norwalk, taking part in four years of football. At Miami University he played halfback where his teammate was Paul Brown, the Cleveland Browns' coach and general manager. Whittaker also took part in track at the Oxford school, running the dashes and throwing the javelin to a college record.

He was graduated from Miami with a degree of bachelor of science in education. Bob took graduate work at Ohio State but received his master of Arts from Bowling Green in 1942.

The Style of Play . . .

SYSTEM	Bob Whittaker's T-formation
GROUND ATTACK	The running attack, featuring quick opening line plays and off tackle smashes, will be led by veterans Dick Pont and Fred Durig. Lettermen Bob Gwin, Benny Pate and Dick Zeigler add plenty of reserve talent.
AERIAL ATTACK	Senior Rex Simonds will again be BG's chief passer with freshmen Bill Lyons and Jerry Barner working into the lineup as the season progresses. They will have some excellent targets in 6-5 Jim Ladd, 6-4 Phil White and veteran Gene Aldridge.
KICKING GAME	Simonds, who averaged nearly 35 yards per boot last year, and sophomore Warren Trenary, a powerful and longer kicker, should make this department very strong.
KICKOFFS	The capable Hal Dunham has graduated after three years of kicking them over the goal line. Ollie Glass, who helped Vic Janowicz with this job at Elyria, looks like the top choice.
POINTS AFTER	Glass should hold forth at this job also with left-footed Bill Butson working in at times.

Prospects For '51 . . .

Bob Whittaker starts his 11th season at BG faced with only a small nucleus from the 1950 squad that won three, lost four and tied two. There are 14 lettermen available. Eight are linemen and six backs but several only saw limited action as reserves last season.

Twenty-two lettermen were lost by graduation including four-year veterans Gordon Ackerman, Mel Augenstein, all-Ohio guard Leroy Silvani and many of the reserve corps.

The BG success in '51 depends to a large extent on the sophomore and freshmen to fill in as capable reserves.

Whittaker's backfield possibilities look most promising. Rex Simonds, who did most of the quarterbacking last year, is back to maneuver the T-formation. Freshmen Jerry Barner and Bill Lyons will provide the reserve strength as the season progresses. Junior Norm Decker was counted on heavily to spell Simonds but academic ineligibility took him out of the picture.

Little Dick Pont, last year's leading ground gainer with 627 yards, will hold forth at right halfback with sophomores Glenn Smalley and Walt Levy backing him up.

Letterman Bobby Gwin, a speedster like Pont, will be pushed at left halfback by Benny Pate, a letter-winning defensive specialist last fall, Pate is an elusive, change of pace runner and might be used as a dual performer. Sophomore John Ladd will also see some duty.

Big Fred Durig will be back at fullback but senior Dick Ziegler will give his fellow-Mansfield townsman a good battle for the job with good reserve strength in Rollie Oatley and freshman Hugh Schick.

Overall the backfield will have excellent speed with Durig as the power runner. Simonds looks improved as a passer and should get plenty of help from Barner and Lyons before the season is over.

In the line Whittaker has most of his problems, especially at the guards. Veteran Ollie Glass should handle the center spot in the style which brought him some all-Ohio recognition last year. With four lettermen tackles, Whittaker probably will move Paul Schieg and Claude Shanks to guards. Charles Bronz and Sheldon Lifschitz, reserve guards, will also be in for some action. Rol Wrightsman will alternate between center and guard.

Lettermen Bill Butson and Bruce Falb will be the regular tackles with sophomore Maynard White certain to move in with experience. Darrell Clay, back from army tour, will be a defensive cog.

Gene Aldridge will capably handle one end job with 6-5 Jim Ladd, one of the best prospects in years at BG, moving in at the other flank. Lettermen Phil White will be available with junior Bob Hallett giving this position a good outlook. With these receivers, the BG aerial game should be much improved over last year's feeble attempt.

Overall the Falcons will have an abundance of speed. The attack, which was concentrated on the ground last year, will gain some diversity this year with better receivers for Simonds. Defensively, the Falcons should show some improvement also. A few key linemen will have to be used on both offensive and defense especially early in the season until freshmen and sophomore talent comes along.

The Athletic Committee . . .

The Department of Intercollegiate Athletics of Bowling Green State University controls and maintains complete supervision over all intercollegiate athletics at the university. Harold Anderson, starting his eighth year as director of athletics, heads this department.

The general policies under which the intercollegiate program operates are made by the university athletic committee, composed of eight faculty members and three student members. The faculty members are delegated by the university president while the president of the student senate names the student representatives. There are two ex-officio members—the athletic director and a member of the alumni association.

The committee for 1950-51 will consist of the following:

Dr. Ralph G. Harshman, Chairman
 Registrar John W. Bunn, Secretary
 Dr. Gilbert W. Cooke
 Prof. Daniel J. Crowley
 Prof. Wayne S. Huffman
 Mr. Ervin J. Kreischer

Dr. Kenneth H. McFall
 Prof. Warren E. Steller
 Ned Clark (Student)
 Roger Day (Student)
 Maurice Sandy (Student)
 Prof. Harold Anderson (ex-officio)

Mr. Ivan E. Lake (ex-officio)

Press, Radio And Photographers' Info . . .

The press box in the Bowling Green stadium, although not elaborate or any too large, can adequately handle all working press, radio broadcasters and authorized scouts.

Because the space is limited, only press and radio men actually working the games are requested to make application for space. Other press and radio representatives desiring to see any or all of the Falcon games will be furnished complimentary reserved seats upon request. No women will be allowed in the press box during contests.

Applications for press and radio reservations should be made as early as possible. Early reservations will help you and us. These desiring wire service should specify same in reserving space and also notify the Western Union at your terminal. This makes a double check on the installation of this service. Reservations can be made by writing, wiring or telephoning Don Cunningham, Director of Athletic Publicity, Bowling Green State University, Bowling Green, Ohio. Office phone is 5661 or at home residence 223 ½ Pearl St., phone 6973.

A complete game information sheet will be at your position when you arrive. Starting lineups will be announced in the box shortly before game time. Statistics will be available at the half and at the conclusion of the game. Other summary material will also be available after the contest. Spotters will be in the box to aid all needing this service.

Photographers desiring field passes should contact Mr. Cunningham in the same manner as the press. Dark room facilities will be available for those desiring such.

The Department of Intercollegiate Athletics hopes that all visiting newsmen and radio broadcasters will feel at home when covering our contests. We stand ready to give you the best possible service while you are here, and should you have suggestions as to how we can improve this service, we will welcome the opportunity for you to pass these thoughts on to us.

Uniform . . .

The Falcons will have three different sets of game uniforms for the 1951 season. Popular with Coach Whittaker is the uniform consisting of solid burnt orange jerseys with seal brown numbers, natural nylon pants, plastic headgears, burnt orange in color, and the conventional black shoes. Ends and backfield men will wear low cut shoes.

The second uniform will include white jerseys, each sleeve carrying a brown and organe stripe (Northwestern style) and seal brown numbers. Pants will be white nylon, striped in brown and organe. Helmets and shoes will be the same as other uniform. Arange nylon pants are an alternative in this setup.

The newest BG attire will be brown jerseys with sleeve stripes of orange and white, numbered in white. Pants will be either white nylon or brown knit.

An established numbering system of players by position will be followed. Each set of jerseys will have the following sequence: quarterbacks 10-19; left halfbacks 20-29; right halfbacks 30-39; fullbacks 40-49; centers 50-59; guards 60-69; tackles 70-79 and ends 80-89. The right and left side linemen will have odd and even numbers, respectively.

Ticket Information . . .

The university stadium has a capacity of about 7,500 football fans. Over 3,100 can be handled in concrete stands while temporary bleachers on the south side and in the end zones will accomodate 4,400 more

This year there will be 1950 reserved seats in the stadium side for the general public. Students and faculty will occupy the other 1523.

Overflow of students will be handled in the south bleachers with the remainder of the 1,760 reserved seats going to the general pubilc. Some general admission seats will be available in the south bleachers beyond the 20-yard line and in the east and west end zones.

The price of reserved seats are \$1.50. General admission will be \$1.00. High school students, except on high school day, are admitted for 50 cents. BGSU students are admitted upon their activity card and payment of the tax and service charge.

The Athletic Program . . .

Football is one of nine sports in which Bowling Green teams participate on an intercollegiate level.

The basketball team is annually one of the nation's top cage teams. In the past eight years, Falcon quintets have participated in five National Invitational tournaments. In August, 1950, the team made a one month tour of Brazil upon the invitation of the Brazilian Confederation of Basketball. A rugged 27-game schedule will get underway on December 1, with 8 lettermen and a host of promising freshmen and sophomore talent on hand.

The swimming team, coached by Sam Cooper, is one of the midwest's leading squads. The Falcons won the Central Collegiate Conference meet last year, as the host team, after taking nine of 13 dual meets. Although not as fortified with letterman as last year, Cooper should have another strong squad to send against such foes as Michigan, Michigan State, Iowa State and other powerhouses.

Track and cross country are handled by Dave Mathews. The harriers won seven of 9 meets last fall and another fine season is expected. The BG Relays is a big event on the track schedule which also includes several dual meets and competition in the Central Collegiate and all-Ohio college meets.

Graduate assistant George Bender will take over the wrestling squad, coming from Michigan State where he had a fine mat career. Kent, Ohio University, Case, Western Reserve are some of the mat foes.

Besides track, baseball, golf and tennis appear on the spring program. Veteran Warren Steller is in charge of the baseball team which competes with Ohio State, Ohio University, Kent State, Wayne and Michigan Normal.

The golf squad, coached by Don Cunningham, took seventh place in Ohio Intercollegiate tournament last spring. A veteran team returns next spring.

The tennis squad ran into some stiff competition against such powers as Toledo, Wayne, Michigan Normal and Detroit last spring and won only one match against 8 setbacks.

The win-loss record of all sports during the 1950-51 school year follows:

Football	3	4	2	.442
Cross Country.....	7	2	0	.778
Basketball	15	12	0	.556
Swimming	9	4	0	.692
Wrestling	5	5	0	.500
Baseball	8	4	0	.667
Track	2	3	0	.400
Golf	3	5	0	.375
Tennis	1	8	0	.111
	—	—	—	—
Total	53	47	2	.520
