THE UNIVERSITY

Bowling Green State University is an intergral part of the system of higher education maintained by the State of Ohio. It is governed by a Board of Trustees appointed by the Governor and is supported almost entirely by legislative appropriations.

A 1910 General Assembly Act authorized an appointed commission to seek a site in northwestern Ohio for a new normal school. Bowling Green was selected and trustees were appointed in 1911 with the first president elected in 1912.

The college known as Bowling Green Normal College opened in temporary quarters in September 1914, and one year later moved into two new buildings on the present campus.

In 1929 the General Assembly changed the name to Bowling Green State College. The present name was authorized by the 1925 assembly.

The university is composed of four main divisions: College of Education, College of Liberal Arts, College of Business Administration and the Graduate School. Courses are offered in forty-three different departments, and the school is recognized by all recognized accrediting agencies.

The university is located on a tract of 240 acres in the northeastern part of Bowling Green. Over fifty campus buildings are available for this year.

The city of Bowling Green with a population of 7,800 is located 25 miles south of Toledo at the intersection of U.S. Routes 25 and 6. The New York Central Railroad, a branch of the Baltimore and Ohio and Greyhound bus lines, serve the city.

The university is co-educational with a 1952 spring enrollment of 3,223. The breakdown shows 1,773 men and 1,450 women. The anticipated enrollment for 1952-53 is 3,100. The highest pre-war enrollment was 1,601.

THE COACH

Robert H. (Bob) Whittaker is one of Ohio's most successful football coaches both as a scholastic and collegiate mentor.

Whittaker is starting his twenty-fourth year as a coach with the beginning of the 1952 season. Twenty-three years he has served as a head coach, only in his first year in the profession did he work as an assistant.

Coming out of college in 1929, Bob signed to aid Jim Nicholson in football and track at Sandusky, Ohio high school. Nicholson left the next year for University of Toledo and the young Miami star took over and started his climb up football's ladder of success by quickly raising the Blue Streaks to a gridiron power.

From 1932 to 1936 the Streaks won 38 consecutive games--five more than amassed at Massillon by the popular Paul Brown. The 1931, 1933, 1934, 1935 and 1938 teams were undefeated. He developed such later Ohio State stars as Charles Maag, Edward Bruckner and Leonard Thom. His 11-year record as the Streaks' chief man reads--87 victories, 20 defeats and 2 ties.

Meanwhile, Frank J. Prout, the progressive Sandusky superintendent of schools, moved to Bowling Green as president. In 1941 a reorganization in the athletic department called for a new head football coach. Whittaker was induced to leave the fine Sandusky setup and take over the Falcons.

In his initial season, the Falcons chalked up one of the best records in the state with seven victories against one defeat and a tie. At the end of the season Whittaker was nominated as an Ohio candidate for the "Coach of the Year" award.

During the four war years Bob kept football alive in BG , often piecing together teams composed of Navy V-12 men and civilians but always managed a winning season. In the six year post war period, the 1948 season was the most successful as the Falcons were unbeaten. A 13-all tie with John Carroll was the only mar on the slate. The 1950 season was the most dismal with only three wins, four losses and a pair of ties. Last year Whittaker took an inexperienced team to a 4-4-1 mark. Whittaker's 11-year coaching mark at BG reads--56 wins, 33 losses and 7 ties for an overall coaching mark of 143 victories, 53 losses and 9 ties for a most respectable .716 average.

Born in Greenville, Ohio, Bob attended high school at Lorain and Norwalk, taking part in four years of football. At Miami University he played halfback where his teammate was Paul Brown, the Cleveland Browns' coach and general manager. Whittaker also took part in track at the Oxford school, running the dashes and throwing the javelin to a college record.

He was graduated from Miami with a degree of bachelor of science in education. Bob took graduate work at Ohio State but received his MA from Bowling Green in 1942.

THE STYLE OF PLAY

SYSTEM

Bob Whittaker's Modified T-formation

GROUND ATTACK

The running attack, featuring quick opening line plays, off tackle smashes and end sweeps, will be led by fullback Fred Durig, the nation's third ranking collegiate ball carrier last fall, veteran halfback Bobby Gwin and newcomers Roger McKenzie and Glenn Freimark.

AERIAL ATTACK

Sophomore Bill Lyons will be the chief passer with any needed help from another capable sophomore Jerry Barner. They will have excellent targets in 6-5 Jim Ladd, 6-4 Phil White and Walter Wagner.

KICKING GAME

Sophomore Bill Bradshaw shows the best booting ability with letterman Dick Cain and Jerry Barner.

KICKOFFS AND POINTS AFTER

Sophomore Harold Yawberg, a left-footed performer, will handle both of these jobs with Paul Scheig and Bob Dallas in reserve.

1952 PROSPECTS

Bob Whittaker starts his 12th season at BG much better fortified with experienced material than a year ago. The 1951 season concluded with four wins, four defeats and a tie, and the Falcons were improving with great strides as the season expired.

Whittaker hopes he can pick up where he left off last November with 17 lettermen as the nucleus along with 19 junior varsity performers.

The Falcons will feel the loss of two of last year's fine blockers--end Gene Aldridge and halfback Dick Pont. Pont was also the second best ground gainer. They were two mainstays that helped all-Ohio fullback Fred Durig set a new rushing mark of 1,444 yards for second place honors in the nation's small college division.

Depth again, as always, will be Whittaker's big problem with injuries to key men a big factor in the success of the 1952 season.

The BG backfield situation has a promising look. Along with Durig, who is a cinch at fullback, veteran halfback Bob Gwin is back at the left half post.

At quarterback Whittaker will miss the services of Rex Simonds and will have to turn the job over to inexperienced sophomores Bill Lyons and Jerry Barner. Both saw little action with the varsity last season. Tommy Thomas will be available for the safety job and should see some offensive action.

The replacement for Dick Pont will have to come from a junior varsity man. Likely candidates are Roger McKenzie, a transfer from University of Cincinnati, and Glenn Freimark, a promising sophomore. Bill Bradshaw, who shows plenty of punting ability, might work between the halfback jobs.

Other offensive backfield reserves will include Hugh Schick at fullback with speedsters Ray Cimaglio and Dick Wickle also in line.

In the defensive backfield Benny Pate and John Ladd, out most of last season with a head injury, will take over the halfback jobs. Barner will help Thomas at safety with Bradshaw and Freimark backing up Ladd and Pate at the important pass defense posts.

Overall the backfield will have good speed with Durig, a deceiving power runner, Gwin and Freimark elusive speed merchants, while McKenzie can run over or around them.

In the line Whittaker has some problems, especially at guard. Bob Hallett has been converted from end to guard, although he might play some **defensive** end. Paul Scheig, a veteran lineman, will alternate between tackle and guard, getting assistance from Bob Dallas. Letterman Shelley Lifshitz will aid the cause.

On defense Keith Fowler will take over with John Chieco and John Cocula working into the lineup later in the season. Scheig will also work some on the defense.

The tackle posts will find big Lloyd Parkson trying to better his all-Ohio honorable mention honors of last year. Darrell Clay and Dick Palguta will divide the right side job with letterman Maynard White looking after the reserve duty.

The end position has some fine prospects in 6-5 Jim Ladd and Phil White, both good pass receivers, and all-around performers. Dick Cain and Walter Wagner should prove capable relief men. Cain will do some punting.

Overall the Falcons have the potential to improve on last year's record but facing four Mid-American Conference foes in the first year of league participation will be a big task. The attack should be more divided between the air and ground than last year. Pass defense might improve some while defensively there might be some decline over last year. The inexperience at quarterback may be costly early in the season.

ATHLETIC COMMITTEE

The Department of Intercollegiate Athletics of Bowling Green State University controls and maintains complete supervision over all intercollegiate athletics at the university. Harold Anderson, starting his ninth year as director of athletics, heads the department.

The general policies under which the intercollegiate program operates are made by the university athletic committee, composed of seven faculty members and three student members. The faculty members are delegated by the university president while the president of the student senate names the student representatives.

The committee for 1952-53 will include the following:

| | |
|---------------------------------|------------------------------------|
| Dr. Ralph G. Harshman, Chairman | Prof. Samuel M. Cooper |
| Mr. John W. Bunn, Secretary | Prof. Willard F. Wankelman |
| Dr. Gilbert W. Cooke | Maurice Sandy (Student) |
| Prof. Wayne S. Huffman | Prof. Harold Anderson (ex-officio) |
| Mr. Ervin J. Kreischer | |

Two new student members will be named in September

PRESS, RADIO AND PHOTOGRAPHERS INFORMATION

The press box in the Bowling Green stadium, although not elaborate or any too large, can adequately handle all working press, radio broadcasters and authorized scouts.

Because the space is limited only press and radio men actually working the games are requested to make application for space. Other press and radio representatives desiring to see any or all of the Falcon games will be furnished complimentary tickets upon request. No women will be allowed in the press box during contests.

Applications for press and radio reservations should be made as early as possible. Early reservations will help you and us. Those desiring wire service should specify same in reserving space and also notify the Western Union at your terminal. This makes a double check on the installation of this service. Reservations can be made by writing, wiring or telephoning Don Cunningham, Director of Athletic Publicity, Bowling Green State University, Bowling Green, Ohio. Office phone is 5661 or at home residence 223 $\frac{1}{2}$ Pearl St., phone 6973.

Photographers desiring field passes should contact Mr. Cunningham in same manner as the press. Dark room facilities will be available for those desiring same.

The Department of Intercollegiate Athletics hopes that all visiting newsmen and radio broadcasters will feel at home when covering our contests. We stand ready to give you the best possible service while you are here, and should you have suggestions as to how we can improve this service, we will welcome the opportunity for you pass these thoughts on to us.
