## THE UNIVERSITY

Bowling Green State University is one of Ohio's six state-supported institutions of higher learning. Established in 1910, the University is known best for the strength of its educational program and the standing of its faculty. The University is composed of three undergraduate colleges—College of Liberal Arts, College of Education, and College of Business Administration—and a Graduate School which offers curricula leading to the master's degree and the doctor's degree in English. All colleges have the highest level of accreditation.

The University is fully accredited, with a faculty of 265 members, with more than 62% of the full time members possessing their doctorate degrees. Total enrollment last September (1960) was 7,067, which included 6,229 on campus and 838 in branches and extension classes in northwest Ohio. This year's estimated enrollment should approximate 6,700 on campus and 7,500 over-all.

The University lies at the northeast edge of Bowling Green, a city of nearly 14,000 in the heart of a region of rich agricultural lands, extensive industry, and varied business enterprises. Located 23 miles south of Toledo, the University has a beautiful 600-acre campus, 60 permanent buildings, with more under construction, and modern equipment and facilities necessary for carrying on a broad, well-rounded program of university education in the highest American tradition.

Included on campus are a 12,000-seat stadium, a 5,700-seat gymnasium, golf course, natatorium, tennis courts, and other playing fields; CAA-approved airport with surfaced runways; speech and hearing clinic; reading center; library with more than 330,000 volumes; a beautiful chapel; and other educational facilities. Both Army and Air Force have ROTC units on campus.

## MERCY BOWL

Bowling Green State University is honored and proud that its football team has been selected to play in the Mercy Bowl Football Classic at the Los Angeles Memorial Coliseum on Thanksgiving Day (Thursday, Nov. 23).

The Falcons, boasting one of the finest college teams in the nation over the past six years—45 wins, 5 losses, and 4 ties—will play the 1961 champion of the California Collegiate Athletic Association, of which Fresno State, Long Beach State, Los Angeles State, San Diego State, San Fernando State, University of California at Santa Barbara, and California Polytechnic State College of San Luis Obispo are members.

The game is being played in the interest of the Cal Poly 1960 Football Tragedy Fund, for which more than \$200,000 is needed to take care of expenses to which Cal Poly players and their families have been subjected as the result of the plane crash at Toledo last October 29. Sixteen players perished, and many others were seriously injured in the crash that occurred several hours after the team had lost an intersectional game to the Falcons, 50-6.

Game officials are hopeful the huge (100,000 plus) stadium will be filled to capacity for the charity classic beginning at 2 p.m., Eastern Standard Time.

The Falcon football team will travel to the west coast right after its final game at Southern Illinois, Nov. 18, to prepare for the game just five days later. Plans are being made at the present time for the University band, cheerleaders, and students to attend the game.

## 1961 PROSPECTS

A football takes a lot of strange bounces, even for a winning team like the Orange and Brown has been since Coach Doyt Perry took over the helm six years ago.

For instance—two years ago the Falcons had only 13 lettermen returning from a team that won seven of nine games, yet this contingent went on to win the Mid-American Conference title and the national college division crown.

Then last season, 21 letterwinners returned from that undefeated, untied crew and “slipped” to an 8-1 mark, second place in the MAC, and runner-up in the national ratings—the only loss a seven-point decision to champion Ohio University.

This year, Coach Perry greets only 14 lettermen, including six starters, and he says, “It’s the smallest team (pound-wise) I’ve had at Bowling Green.” About the only thing that’s certain is that the Falcons should be a top contender for the league title. With the right bounces, the team could go all the way again.

The line offers alternate strong and weak points. Back are 10 lettermen, four of them ends. The inner line, smaller than most in the conference, will be an aggressive, hard-hitting, and speedy outfit.

Regulars Larry Smith and Dick Newsome are strong defensively, adequate offensively at the wings, and lettermen Tom Hogrefe and Angelo Privitera back them up as strong offensive talent. Privitera also may get the call at halfback, a position he played his freshman year, if sophomore Gary Whitaker continues his rapid development. Mike Witte, used primarily as a defensive linebacker, also can fill in at end.

All-MAC tackle Jerry Croft is the only proven performer at that spot. Perry calls him “one of BG’s best,” and at the other starting tackle will be one of BG’s potential-best, big Bob Reynolds, a 6.6, 245-pound junior who came on strong to earn a letter last year. Karl Anderson (6.5, 265 pounds) displayed a marked improvement during spring practice and could see a lot of action his final year. Sophomores John Doyle and Ken Burke will be counted on to provide depth.

Perry considers his guard candidates “little, but rough.” Co-captain Ray Kwiatkowski, a two-year veteran, will be at one guard, with Jim “Joe” Grant, whom Perry’s assistants call a real good one, at the other. Gary Sherman and Jim Wasserman add depth, and sophomore Bill Violet is a “real outstanding newcomer,” according to Perry, who thinks his younger men may develop to give the team good depth here.

Eight men are center candidates, so there is little depth problem there. Lou Youskievich is a steady letterman and Ed Bettridge is a 1958 freshman numeral winner that ranks as another outstanding new prospect. Asa Elsea is behind them, but his chief value to the team is his educated toe which perfectly placekicked 22 of 24 extra points last year.

The signal-calling slot also has eight contenders, but second team all-MAC quarterback Jim Potts will be running the show most of the time. He’s a good ball handler, pinpoint passer (44 of 71 for 62%, 662 yards, and seven TDs), and fair punter. Bob Fearnside, who saw offensive action in most of last year’s games, may play more defense this season, along with Arch Tunnell, who pilfered five enemy tosses last year. Bill Keller, a

junior with little experience, performed well in the spring game and will see considerable duty.

The strongest position on the team last year—half-back—may be the weakest (depth-wise) this year. Seven lettermen departed and only two returned, leaving it up to sophomores and several varsity reserves to fill the bill.

In starters Don Lisbon and Russ Hepner, the Falcons will have the strongest runners in the league. Lisbon finished second to Bob Brooks in rushing last year and was named (along with Jerry Colaner) the Falcons' most valuable player. He's one of BG's finest, as is Hepner, who also tore up the league two years ago as a sophomore. He sat out most of last year with injuries. Offensively, senior Al Junior and sophomore Earl Whiteside should provide adequate second-line strength, with Privitera available for spot duty.

Fullback is another possible weak spot, very thin in numbers and experience. Senior Ken Fink, junior Ray Bell, and sophomore Terry Hartshorn are the only candidates and all have yet to prove themselves in competition. All are good competitors and should get the job done, however.

Over-all, barring injuries at some of the "thin" positions, the Falcon offense should continue grinding out yards at the plus-350 rate per game in Perry's 54 contests at BG. The running game will dominate, though Potts may have to throw if anything happens to his top runners.

Perry indicated he may platoon on defense because of depth problems, but it should resemble last year's defense which gave up about 230 yards per game and was second in the MAC with 223.

With the winning Perry tradition and the Mercy Bowl to look forward to, this team may have the high morale to overcome its depth and experience problems and remain one of the MAC's and nation's finest elevens.

## MEET THE COACH

In President Ralph W. McDonald's letter of resignation last summer was a list of things he had tried to accomplish at Bowling Green State University in his 10 years. Among them was to develop "a good athletic program." If football is any indication of this development, then this item can be called a success.

And the person behind the success is a man Dr. McDonald has called, "the finest addition to the University staff that we have made during this administration"—Doyt L. Perry.

Bowling Green's 8-1 record of last season gave Coach Perry the distinction of having the best coaching record in the nation among coaches with five or more years duty. Perry's six-year total is 45-5-4, a phenomenal .870 mark.

Along with this fabulous record have come various honors and distinctions. Perry twice was selected Ohio Coach-of-the-Year (1956 and 1959), UPI Coach-of-the-Week, was recipient of the Washington Touchdown Award as coach of the national college division champions in 1959 (BG was runner-up last year), has developed 17 all-Ohio and all-Mid-American Conference selections and two Little all-Americans (Bob Zimpfer and Bernie Casey), and is one of the nation's outstanding clinic speakers.

In addition, Perry's teams from 1958 through 1960 ran up a BG record of 18 straight victories before a last-quarter touchdown by Ohio U. ended the string last fall. Against non-conference foes, Perry's record is equally amazing. BG has won 18 games without a loss against such teams as Wichita, Dayton, Xavier, Drake, Delaware, and Southern Illinois.

Under Perry, the Falcons have never been below a third-place tie in the MAC. In 1956, BG took the league toga on a 7-7 tie with Miami, the Redskins playing one less game. In 1959, BG swept to its second MAC crown and the national title with a 9-0-0 mark, its first undefeated, untied season in 41 years of football.

Along with a winning record at BG, Perry has brought an outstanding staff of young coaches and educators, a fine group of young men who excel in the classroom as well as on the field, and a winning spirit among the students, faculty and staff, alumni and other BG sport followers that is second to none in the Midwest.

Perry's teams have been offensive minded outfits, averaging nearly 350 yards per contest in the 54-game record but the former Ohio State aide always comes up a better-than-average defensive record. Perry is a firm believer that mistakes lose ball games so that fumbles, interceptions and penalties are things that BG players work the hardest to avoid. Against Kent State last year, the Falcons played a "perfect" game in Perry's book, as they didn't lose a fumble or interception, weren't penalized a yard, and didn't allow a point scored.

But being a winning coach is nothing new to Perry. Ever since he received his degree from BG in 1932, the

diminutive Falcon 3-sport star has turned out winning teams.

After four years of successful basketball and track coaching at Lorain Clearview, Perry instituted football in 1937 there and in six years had a 32-9-4 record, including four league championships. His basketball and track records at Clearview were even better than his football mark.

In 1943 Perry moved to Upper Arlington as head football and basketball coach. His first football team at the Columbus suburb had a 7-2 season and the basketball team was undefeated until semi-finals of the district tournament.

After a 3-year U.S. Navy hitch, Perry returned to Upper Arlington in 1946 but limited his coaching duties to football. In the next five years, Perry had two undefeated teams and won or shared the Central Buckeye title four times.

In 1951 Woody Hayes selected Perry to join him in his initial year at Ohio State where he served four years as backfield coach and was considered by Hayes as the offensive statistical brain of the 1954 Rose Bowl and Western Conference champion Buckeye squad.

During his undergraduate days at Bowling Green, Perry was an outstanding athlete. He was quarterback on the 1929-30-31 teams that went 18 games without a loss. He won all-NWOC honors for two seasons and all-Ohio mention as a senior. He was a regular forward for three seasons in basketball and finished his 9-letter career with three awards at shortstop.

He received his secondary education at Hartford high in Croton (Licking County), Ohio where he was a 3-sport participant.

Mrs. Perry is the former Loretta Zeroll of Elyria. They have three children, Judy, 20, a BGSU senior cheerleader, David, 14, and D. L., 10.

### BG NOTES

Who says the quarterback isn't the key to a football team's success? Perhaps part of Coach Doyt Perry's successful record at Bowling Green may be attributed to his signal callers. In each of his six years, his field general has made either first or second team all-MAC.

Also interesting to note is that Coach Perry has had a first team all-MAC tackle every year, and at least one halfback on the first two teams each time the league has voted.

---

Of the 58 players invited to play Falcon football this fall, only one, Ray Kwiatkowski, is from outside the Buckeye State. He's from Clifton Heights, Pa.
