MEDIA INFORMATION

COACH'S AVAILABILITY — The best time to call coach Stolz is from 11 a.m. - noon on Monday, Tuesday and Thursday. A weekly press conference will be held at 11 a.m. each Wednesday in his office. Short radio interviews can be obtained at the press conference. The best time for television interviews will be from 3-3:30 p.m. before the start of practice on Wednesday.

PLAYERS' AVAILABILITY — Please arrange special interviews through the SID Office. Interviews are best during the first three days of each week.

PRESS CREDENTIALS — Please request working press credentials 10 days in advance of game to allow proper time for mailing and handling. Media with late phone requests cannot be guaranteed parking.

RADIO INFORMATION — Six broadcast booths are available. Requests for permission to broadcast must be received within 30 days of the game for appropriate contract forms to be completed. Broadcast space is limited to four persons, including spotters. Phone lines can be ordered by contacting Mrs. Widdy Thompson (352-0454) at the General Telephone Company in Bowling Green.

PHOTOGRAPHY — Photo passes will admit photographers to the field. There is a photo deck adjacent to the press box which can be used with special permission. Only during severe weather conditions will photographers holding sideline photo passes be admitted to the press box.

PARKING — A special media parking lot (by parking credential only) is located directly southwest of the stadium near the Press Gate entrance at the southwest side of the stadium. Entrance to the media lot can be made by using Alumni Drive off Mercer Road, directly north of the new Alumni Center.

PRESS BOX — BG's football press box is located on the WEST SIDE OF THE STADIUM. The Press Gate entrance is located at the SOUTHWEST SIDE OF THE STADIUM. Last-minute will-call credentials can be picked up at the Press Gate.

COMMUNICATIONS — Three telephones are available for the working press. Additional phones and radio hook-ups can be ordered by contacting Mrs. Widdy Thompson (352-0454) at the General Telephone Company in Bowling Green. A Xerox telecopier will be available in the press box on a priority basis with a \$5 charge for the use of the machine.

SID OFFICE — The SID Office is located on the east side of the stadium at the south end of the athletic offices area. Direct all requests for art, information and interviews to Bob Moyers, SID, 201 Stadium-Athletic Department, Bowling Green State University, Bowling Green, Ohio 43403.

PRESS BOX SERVICES — Pre-Game information will include program, flip-card and last-minute notes and changes. Statistical sheets will include play-by-play, halftime, final team and individual recap with scoring summary and defensive leaders, and coaches' quotes from both locker rooms.

POST-GAME PROCEDURES — The locker rooms are located on the east side and can be entered through a tunnel at the north and south ends of the stadium. Admittance will be by a press or photo (non-sideline) credential after the normal cooling-off period. Coach Stolz will hold a media conference in the team meeting room located midway through the tunnel. Final statistics will be available at the media conference for persons not wishing to return to the press box.

FALCON FOOTBALL—A NEW LOOK FOR 1977

With All-American quarterback candidate **Mark Miller** directing the offense for the fourth straight year, new coach Denny Stolz has reason to be optimistic about the Bowling Green State University football team's chances for the school's 22nd winning season in the last 23 years.

Stolz isn't predicting any Mid-American Conference championship for his charges who were 6-5 in 1976 but he is starting to get excited about this fall after a successful spring practice.

"We got in much more offense and much more defense than I thought possible. And we progressed further than I thought possible," Stolz said. "But that doesn't mean that we have solved all our problems. We've got our offense and defense in. It's just a matter of what we do with it in the fall."

"We are not a powerhouse football team even though we have 33 lettermen and 15 starters coming back on paper. But our defense was one of the weakest in the conference last year and that's where we've got to really improve this fall."

But one thing that Bowling Green will have that many teams would love to have is outstanding talent and leadership at the quarterback position. That talent includes both Miller and his sophomore back-up, **Mike Wright**, who has already demonstrated a wealth of natural ability at running Stolz's option-style attack.

However, first things first, and Miller is certainly first when professional scouts drift into the Falcon practice sessions. Although the scouts still question Miller's durability to handle the physical abuse dished out by pro linemen, they know he possesses the passing arm, 6-3 size, and leadership qualities that it takes to make it with the pros.

As the eighth-ranked returning QB in the nation in BOTH total offense and passing, Miller led the conference last fall in passing and total offense on a run-oriented team.

A starter since his fourth game as a freshman, Miller already is BG's career passing and total offense leader. His 1976 totals included 126 completions in 245 attempts for a school record 1,839 yards and 13 touchdowns. His career passing stats include 291 completions in 566 attempts for 3,816 yards and 21 touchdowns.

In 1976, Miller was ranked 17th in passing and 13th in national total offense statistics.

Junior **Jeff Groth**, who doubles as a top hitter on the school baseball team, heads up the veteran receiving corps. The 5-11, glue-fingered split end ranked second in the MAC as he averaged 18 yards a catch with 33 for 598 yards and 4 TD's. Groth also hauled back five punts for 106 yards and a touchdown and returned 17 kickoffs for 282 yards.

Speedster **Willie Matthews** (21 for 279), All-MAC Academic whiz **Dave Dudley** (18 for 334) and veteran tight end **Tom Saleet** (10 for 124) will be Miller's other targets.

Bowling Green's running game, which combined with the passing attack to rank 10th nationally with 402 yards a game, will be an unknown quantity in 1977.

Spring practice shed some light on who will replace tailback Dave Preston, the league's all-time leading rusher and touchdown scorer, who was a 12th round draft choice of the New England Patriots. Sophomore **Doug Wiener**, who averaged 4.8 yards a try for 268 yards as a freshman, appears to have the best chance of filling Preston's shoes after a 116-yard performance in the spring game.

Still a question mark is red-shirt fullback **Dan Saleet**. The 215-pound senior saw only limited duty this spring as he continued his recovery from knee surgery. Stolz is keeping his fingers crossed since Saleet ranked 15th in national rushing charts two years ago with a 111.4 yards per-game average.

All-league first-team tackle John Obrock and All-Ohio Shrine Bowl guard Tommy Steele are gone from the offensive line. Coming back are 10 lettermen headed by a pair of three-year lettermen in senior tackle **Mike Obrovac** (6-5, 250) and guard **Doug Smith** (6-5, 240). Center **Joe Studer** (6-1, 219) was a

starter until sidelined with a knee injury after six games.

Defense was Bowling Green's major problem last year as the Falcons were eighth in the league in giving up points and yielded 3,381 yards, the most ever by a Bowling Green team.

Perhaps that was why Solz's first appointment on his coaching staff was Steve Beckholt, the defensive coordinator for the undefeated Albion (Mich.) College team which led the nation's Division III teams in total defense.

The numbers' game lists 16 lettermen and 8 starters returning but a general overhaul and shakeup is in order. The Falcons also must make minor adjustments to Stolz's version of the basic Oklahoma defensive system.

Any strength up front will start with all-MAC second-team tackle **Alex Prosak** (6-4, 242) who led the team with 58 solo tackles last season. Senior tackle **Jack Williams** (6-3, 244) has size and experience on the other side.

BG's linebackers were racked with injuries last season and Stolz has placed top priority on the positions.

The secondary was third in the league against the pass and returns three starters headed by 5-9 **Greg Kampe**, an excellent natural athlete who is also a two-year letterman on the basketball team.

Kampe also has done the team punting for two seasons. Five blocked kicks last season hurt his performance and the team was also last in the MAC in net punting.

The placekicking was also inconsistent as two kickers made only 21 of 29 extra points and 9 of 19 field goals last season.

The 12-game schedule will be highlighted by a home game with nationally-ranked Iowa State and a road date with Hawaii.

"We plan to win," was about the closest that Stolz would come to predicting Bowling Green's success in 1977. The "how many?" will be determined next fall.

GENERAL ANALYSIS

The presence of one of the nation's finest quarterbacks and a talented, highly-motivated senior class gives Bowling Green the potential to be a potent force in the 1977 college football wars.

However, new coach Denny Stolz's optimism is curtailed

Guard Doug Smith On The Prowl

somewhat by the obvious lack of depth and quickness that are evident at several positions.

"We'll have a reasonably experienced offensive football team along with two or three fully outstanding defensive football players," Stolz said after the completion of spring drills.

"Our seniors showed us a great attitude this spring towards hard work and comradery. And all the players seem to have somewhat of an innate desire to win the conference championship.

"But at the same time, I'm not sure our players understand how much sacrifice and hard work it takes to win a championship. No one here has ever played on a championship football team in college. There were some good signs this spring. But come fall, the intensity will have to pick up.

It's no secret that we are counting on our freshman class to help us this fall. Some may even start and others will be providing depth. If they can mature into major-college football players after our first few games, we could indeed have a successful season."

PERSONNEL

Stolz can call on 33 lettermen which breaks down into 19 seniors, 11 juniors and 3 sophomores. Seven were starters on offense and eight started games on defense although in many cases the total minutes played were reduced by injury or competition.

Major losses include tailback Dave Preston, an academic All-American and the MAC's all-time leading rusher and touchdown producer; wide receiver Steve Kuehl, school recordholder in career kick returns; tackle John Obrock, an all-league first-team lineman; guard Tommy Steele, an Ohio Shrine Bowl selection; middle guard Dave Brown, a two-time all-league performer; defensive back Greg Davidson, part-time starter for four years, and defensive end Bill Whidden, a three-year letterman. The total lettermen lost add up to 21.

TEAM STRENGTHS

Stolz stays with the offense when team strength is evaluated although he rates three defensive veterans as outstanding.

Quarterback Mark Miller (Canton senior) is an All-American possibility after a super junior year in which he led the conference in passing and total offense. Mike Wright (Wellsville sophomore), who enters the fall as Miller's back-up, is an excellent runner who fits in well with Stolz's option-style attack.

The offense line looks fundamentally sound with big years expected from tackle Mike Obrovac (Canton senior) and guard Doug Smith (Columbus senior). Joe Studer (Massillon junior) returns as a starting center and tackle Mark Wichman (Tallmadge senior) was the big surprise of the spring.

The defense figures to rally around tackles Alex Prosak (Lorain senior), a second-team all-league choice, and Jack Williams (Cleveland senior). Dirk Abernathy (Niles junior) hits the hardest of anyone of the team at safety. Greg Kampe (Defiance senior) adds two years of starting experience and lots of enthusiasm to the secondary.

QUESTIONABLE AREAS

Bowling Green's defense gave up 307 yards and 22.6 yards a game last year and is in the process of being rebuilt by Stolz and defensive coordinator Steve Beckholt.

Experimentation will continue in the fall at defensive end where Tim Ross (Toledo sophomore) was the walk-on find of the spring. Stolz also shifted tailback Joe Guyer (Fremont junior) and linebacker Steve Seibert (Willard junior) to the flanks and was pleased with the progress.

Although Cliff Carpenter (Mt. Vernon senior) and Jeff Smith (Barberton senior) are returning starters at linebacker, Mike Callesen (Westlake sophomore) and Michigan State transfer Rick Underman (Elyria sophomore) were impressive in spring drills. But an injury-free year from the injury-prone Carpenter would help solve a problem area.

Inexperience also exists at middle guard and in the secondary. Depth will be a major problem at all defensive positions.

While the running game could be outstanding, there are indeed question marks. Fullback Dan Saleet (Lakewood senior) is coming back from knee surgery and could regain the form which made him one of the most feared runners in the nation two years ago. The loss of Preston takes away almost 1,000 yards from the tailback slot although Doug Wiener (Canton sophomore) averaged 4.8 yards a try as Preston's understudy.

Bowling Green's passing game may again be as potent as last year's which was the best in the conference with Miller at the controls. But Stolz isn't ready to shout superlatives. Jeff Groth (Chagrin Falls junior) was second in MAC pass receiving but Stolz didn't get to see the outstanding natural athlete because Groth was hitting .349 with the baseball team. Dave Dudley (Bowling Green senior) and Willie Matthews (Sandusky junior) are both good receivers but provide under six-foot targets. A big tight end is a Stolz trademark. Veteran Tom Saleet (Lakewood senior) came a long way this spring and was named the most improved player for his efforts. The only problem is that he is not big.

The Falcons' kicking game went sour last season and must be rebuilt. Five blocked punts and eight missed extra points were recorded. Kampe will try to iron out the punting wrinkles while Mark Murtaugh (Genoa sophomore) gets first crack at the placekicking assignment.

The return game wasn't worked on much during the spring but Groth and Matthews both averaged more than 10 yards on punt returns last season to give BG a second place national ranking.

MOST PROMISING NEWCOMERS

Defensive end Tim Ross (Toledo sophomore) walked on during spring practice and wound up as one of the top defensive ends. Letterwinning freshman Doug Wiener (Canton sophomore) rates as the No. 1 tailback. Non-letterwinning sophomores expected to help are tight end Bob Harris (Oberlin), linebacker Mike Callesen (Westlake), and quarterback Mike Wright (Wellsville). Showing promise at middle guard was junior Ed Holmes (Inwood, N.Y.)

FRESHMEN PROSPECTS

"We think we have an excellent group of freshmen coming to Bowling Green. If they develop rapidly as major-college players, we could become bonafide contenders for the conference championship. Our freshmen are going to play a vital role. They will be the only depth that we may have at some positions. It wouldn't surprise me at all if we had 15 freshmen on the travel squad," Stolz said.

Jack Williams Flies Off The Mark

A STARTING POINT

The 1976 Bowling Green football team produced a 6-5 season and finished fifth in the MAC with a 4-3 record after winning its first four league games. Injuries took their toll as a lack of depth proved costly in the second half of the season. On offense, the Falcons finished the season ranked 10th in the nation and first in the conference. The defense gave up 307 yards a game to finish sixth in the league. The Falcons were last in league punting but first in punt returns.

BEST BETS FOR STARDOM

Bowling Green has several players with the ability and experience to become stars and thereby rate consideration for conference and national honors. The following should be Bowling Green's best football players in 1977 (There may be others).

Mark Miller, senior quarterback, could be brilliant as he heads into his fourth year as a starter. He already is BG's all-time leading passer and total offense leader. As a junior, he led the conference in both passing and total offense. He was 13th and 17th nationally in both categories. He is blessed with excellent intelligence, dynamic leadership potential, and outstanding athletic ability.

Alex Prosak, senior defensive tackle and tri-captain, comes off a great junior season during which he was second in tackling (121) while gaining second-team all-league honors. Rated an outstanding assignment football player by the coaches, he reads his keys as well as anyone in the league. The 6-4, 242-pound three-year letterman will be a three-year starter this fall.

Doug Smith, senior guard and tri-captain, is rated an outstanding pulling guard by the coaches. The three-year letterman is 6-5 and 240 and is regarded as one of the finest blockers in the conference.

Jack Williams, senior defensive tackle, could be a top pro prospect if he has a good final season. At 6-5, 244, he is the fastest defensive lineman and one of the best all-around natural athletes on the squad.

Mike Obrovac, senior tackle, is rated the best technician among the offensive linemen and one of the quickest coming off the ball. He is a two-time winner of team offensive player-of-the-week, a rare feat for a lineman. The 6-5, 250-pound three-year letterman will be starting for the third year this fall.

Dirk Abernathy, junior defensive safety, is a great hitter and is rated the fastest and most consistent player on the defense. He hit with such intensity last season that he knocked himself out in two games. Could be BG's best defensive back since Mike Weger.

There certainly are others who have the skills, experience and talent to have outstanding seasons. Wide receiver **Jeff Groth** won second-team all-MAC honors last season as did

defensive cornerback **Greg Kampe**. Fullback **Dan Saleet** was BG's most valuable player in 1975 before missing 1976 with knee surgery.

THE SYSTEM

Although Bowling Green is used to Stolz's I-formation offensive set with a flanker and split end, the new look in Falconland will be the option-style attack which finds the quarterback running the football and putting pressure on the flanks. Miller's proven ability as a passer will be exploited with a drop-back passing game. The defense will be the Oklahoma style with the five-man front. Only the cornerbacks are expected to flip-flop.

THE BIG BIG SCHEDULE

The schedule is stacked with 12 games for the first time in history and includes the finest and toughest home schedule in recent memory. The home card opens with BG's first-ever meeting with a Big Eight Conference team in Iowa State. Following are pre-season conference favorite Western Michigan, arch-rivals Toledo and Miami, and Joe (N.Y. Giants) Morrison's Tennessee-Chattanooga team which destroyed Bowling Green last season.

"Our schedule is very attractive and very challenging," Stolz said. "The highlights are playing a top 20 team and our two natural rivalries at home and then ending the season with a trip to Hawaii and California."

THE MAC TEN RACE

"Long before I came to Bowling Green, it has been impossible to determine a pre-season favorite in this league. You just can't tell the difference between the teams at the top and the middle of the standings.

"With an imbalanced schedule, Lord only knows what will happen. The team that stays healthy and plays consistently will probably win the championship," said Stolz.

ALL-AMERICA CANDIDATE MARK MILLER

#15 MARK MILLER
Senior Quarterback
6-2, 185, 21
Canton (South)
Tri-Captain
Major: Biology (3.32
G.P.A.)
Career Plans: Teaching,
Pro Football

- No. 1 in Mid-American Conference passing and total offense (1976)
- No. 13 in NCAA total offense (1976); No. 17 in passing (1976)
- Bowling Green's career passing and total offense leader
- Bowling Green's most valuable football player (1976)
- Starting quarterback since fourth game of freshman year
- Helped team to No. 10 NCAA ranking in total offense (1976)
- Has improved total offense by 50 yards a game each year
- Excellent student; Academic All-America candidate
- Three-time winner of MAC Player-Of-The-Week honors
- Excellent leadership; president of Fellowship of Christian Athletes
- Holds BG game, season and career total offense records

EXPERIENCE: Mark Miller was one of seven freshmen quarterbacks good enough to start for major-college teams in 1974 ... Entering his fourth year as a starter, Miller has directed the Falcons to 18 wins in 30 games (.660 Pct.) ... Has developed into the finest quarterback in Bowling Green history ... Enters senior year with career records of 4,196 total yards, 3,816 passing yards and 291 pass completions ... Missed 2,000 yards in total offense by only 20 yards last season ... Set single-game total offense mark of 272 yards vs. Tennessee-Chattanooga ... Holds four of BG's top 10 single-game passing performances ... Guided BG offense to MAC season record of 4,425 yards in 1976 ... Set conference longest pass record with 96-yard TD completion to Dave Dudley last season ... Has averaged 13.1 yards per completion during career ... Statistics have been achieved for a run-oriented offense that passed only 29 per cent in 1976, 23 per cent in 1975 and 21 per cent in 1974.

HUMAN INTEREST: Everything about him gives him an All-American image ... At Canton South High School he was a starter on the football, basketball and baseball teams, the outstanding senior, the outstanding senior athlete, a 3.8 National Honor Society student, president of the Fellowship of Christian Athletes and senior class president ... Completed 78 of 156 passes for 1,003 yards and 10 TD's as a senior for coach Bob Gilmore ... Considered attending Cornell and the Naval Academy ... John Havlicek is his favorite athlete ... Wants to be a teacher and to work with youth groups ... Nickname is Mills ... Born 8-13-56 in Canton ... Son of Mrs. Mary Miller ... Father (George Miller) died during the summer of 1976 and Mark has dedicated himself to playing football the way his father wanted him to play ... Miller claims he is the campus taco-eating champion (16 at a single bound) ... Although he doesn't drink, he does indulge somewhat by wearing a "Miller High Life" T-shirt for obvious reasons.

COACH DENNY STOLZ: "What Mark (Miller) can do at his position is comparable to other outstanding quarterbacks in the country. He has excellent intelligence, is an outstanding athlete and definitely excels in his running and throwing ability. My opinion is shared by knowledgeable football experts. If he continues to improve, he should certainly be in line for his share of post-season honors."

BIG GAME HUNTER:

1976 Tenn-Chattanooga—School total offense record of 272 yards; Completed 19 of 31 for 246 yards and 2 TD's
 1976 San Diego State—Completed 15 of 32 for 247 and 1 TD
 1976 Miami—Completed 18 of 35 for 239
 1975 Ball State—Completed 20 of 32 for 222 and 1 TD
 1976 Toledo—Completed 11 of 24 for 201 and 2 TD's
 Named MAC Player-Of-The-Week for 29-28 victory
 1975 Southern-Mississippi—Completed 16 of 23 for 172
 Named MAC Player-Of-The-Week for 16-14 victory
 1974 Western Michigan—Named MAC Player-Of-The-Week for 21-13 victory.

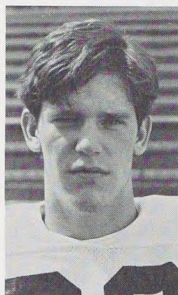

Note: Miller has been nominated seven times for MAC Player-Of-The-Week honors.

THE GREAT M-M COMBINATION: Some of the greatest figures on the American scene in recent years have shared the common ground of having their first and last names start with the letter "M." For example, there's Mickey Mantle and Marilyn Monroe. There's Mighty Mouse. And Moses Malone. All of this may be Mickey Mouse, but it is a way of remembering that Mark Miller is another one of those great American "Double M" combinations.

HEAD COACH DENNY STOLZ

Bowling Green's successful football program is featuring "A New Look" for 1977 as head coach Denny Stolz enters his first year with the Falcons after serving for three years as head coach at Michigan State University.

Stolz, 43, is Bowling Green's 12th head football coach in the 58-year history of the Mid-American Conference school. He was named to the position on December 15, 1976.

Although he has not yet coached a game at Bowling Green, Stolz has already produced two startling victories for the Ohio-based school. First came a win against time as he was able to select a competent coaching staff which then launched a whirlwind recruiting effort that netted the Falcons an outstanding freshman class.

The second victory came during spring practice as Stolz and his staff introduced a no-nonsense, disciplined approach to football designed to give the team a strong dose of the intensity and pressure that are ever-present in game-day situations. The players accepted the challenge and will be ready for more of the same this fall.

During his three years in charge of the Spartan football fortunes from 1973 through 1975, he guided MSU to a 19-13-1 record. During that period, it was the only winning record produced among Big Ten coaches other than Woody Hayes and Bo Schembechler.

Stolz, a graduate of Alma College, started his rebuilding program at Michigan State with a 5-6 record in 1973 and a 4-4 mark in the Big Ten for a four-way tie for fourth place.

In 1974, he directed the Spartans to a 7-3-1 record for the best mark at MSU since 1966. Michigan State went 6-1-1 in the conference for third place. Only a tie with Illinois kept them out of the championship picture. For the first time in eight years, MSU finished in the top 20 with 12th place in the AP poll and 18th place in the UPI ratings.

For his efforts, Stolz was named Big Ten Coach-Of-The-Year. The highlight of the season was the 16-13 win over an Ohio State team ranked No. 1 at the time.

The 1975 season found the Spartans compiling a 7-4 record and a 4-4 mark good enough for a third place

tie in the Big Ten. The big win was a 10-3 upset of previously undefeated Notre Dame.

His coaching success brought him a post-season all-star coaching assignment in January of 1976 as he directed the North team to a win in the All-American Bowl in Tampa, Fla. In March of 1976, Stolz resigned his head coaching position at Michigan State.

Stolz began his association with Michigan State in 1971 as an assistant football coach and defensive coordinator under Duffy Daugherty. In two seasons, his defensive units ranked second and third in the Big Ten in total defense. The 1972 team scored a 19-12 major upset over previously unbeaten and highly ranked Ohio State as the Buckeyes could gain only 176 total yards. Pro stars Brad VanPelt, Billy Simpson and Gail Clark were among his top players.

Before joining the Michigan State staff, Stolz was head football coach at Alma College for six years from 1965 through 1970.

Stolz took over a program at Alma that had won but three games in four years and turned it into a winner that won 34 of 50 games during his tenure. His teams won three Michigan Intercollegiate Athletic Association (MIAA) championships and compiled an 18-game winning streak. His 1967 and 1968 teams were undefeated for the only back-to-back perfect seasons in the school's history.

In 1967 he was named Michigan Coach-Of-The-Year by the Associated Press sportswriters.

The native of Lansing, Mich., started his coaching career at Haslett, Mich., High School where he had an eight-year record of 40-13-3 from 1955 to 1963. Then it was on to Lansing Eastern High School as defensive coordinator for the 1964 season.

Denny was born Sept. 12, 1933 in Lansing and attended high school in Mason. He's next to the youngest of four brothers, all of whom were star athletes at Mason High School. All four went on to work their way through Alma College. Denny was a quarterback during his college days at Alma.

He earned a bachelor's degree from Alma in 1955 and a master's degree from Michigan State in 1960. He and his wife, Cena, are the parents of a son, Doak, 17, and daughters, Dawn, 16, and Denise, 9.

Denny is regarded as an excellent clinic speaker. Among his speaking presentations were those at the Rose Bowl Clinic in 1974, the American Football Coaches national convention in 1975, Coach-Of-The-Year Clinics in Michigan and Ohio, and the Texas High School Coaches Association Clinic in 1977.

Team Strengths	Defense	Offensive backfield	Overall defense; defensive tackles; punting; linebackers.	Pat Humes, Tony Townsend and Greg Williams return from a secondary that was No. 1 in national pass defense.
Team Problems	Loss of lettermen at all the skill positions on offense; replacing All-America fullback Jamie Hosford.	Offensive Line	Quarterback; rebuilt offensive line.	Inexperienced offensive line and quarterback.
Overall Outlook	Although coaching staff was pleased with what they saw in spring practice, Coach Jim Harkema will have his work cut out with 18 starters gone from last year. The squad will only be one deep in most positions.	The Hurons will be improved in 1977. One of the brightest spots in the Huron picture is the offensive backfield. The leader of the offense is quarterback Steve Raklovits, who returns as the 19th leading passer in the nation. Bobby Windom and Doug Crisan return after rushing for 824 and 345 yards respectively.	Iowa State is expecting to field a solid defensive team in 1977 and an offense that sports a rebuilt line and a new quarterback. The Cyclones have punch with 1,000-yard tailback Dexter Green and big play threat Ray Hardee.	The Broncos should continue to improve after going from 1-10 in 1975 to 7-4 a year ago. Persell has solid running support from fullbacks Keith Rogien and Doug Lincoln who combined for over 1,000 yards. Defense against the run should also improve.

Team Strengths	Fairly veteran defense, a returning quarterback, and enthusiasm generated by a new coach and system.	Offensive line; quarterback Mike Whalen; talented trio of linebackers.	Defense and kicking game.	Offensive Backfield; Place-kicking; Punting.
Team Problems	Lack of depth at all positions, especially in the offensive line and at defensive tackle.	Somewhat green defensive line and offensive backfield.	Undecided at quarterback and little experience in offensive backfield.	Defensive secondary; offensive line.
Overall Outlook	Toledo lost a one-pointer, a two-pointer, and a three-pointer last year. There were many who felt the material was better than the 3-8 record indicated. The majority of those players are back, and maybe a new coaching staff can make winners out of losers with a new approach to the game.	If the Flashes can solidify their defensive front wall, and find replacements for Art Best at HB and Art Daniels at TE, they should be serious contenders for the MAC title.	If Coach Dick Crum can come up with a replacement for all-MAC running back Rob Carpenter and can decide on a quarterback, Miami will improve over last year.	Coach Roy Kramer has quite a bit of talent with 36 returning lettermen but calls for an improved secondary and offensive line to make the Chippewas a top contender for MAC honors.

Most honored players returning	Guard Pete Pullara (All-America) Center Garfield Wells (All-America) Punter Greg Cater (3rd in punting in NCAA)	Arnold Welcher (TB), 1st Team MAC; Andy Vetter (QB), 1976 Off. MVP; Bob Weidaw (OG), 1977 co-captain; Steve Groves (DE), 1st team MAC.	Wilbert Haslip, FB, leading ground gainer; John Annillo, FS, most interceptions on team.	Dan Bunz, Linebacker (All-PCAA 75,76), Tim Cunningham, Running Back, Greg Barnes, Defensive Back
Team Strengths	Offensive line & quarterback; punting; and defensive secondary.	Entire offensive and defensive backfields are returning.	Running backs, tight ends.	Outstanding linebackers; good defense overall; running back speed.
Team Problems	Running back; overall depth defensively.	Filling positions vacated by outstanding grads; Greg Lockett (LB) Rod Day (MG).	Offensive line, secondary.	Rebuilding the offensive line; inexperience in the backfield.
Overall Outlook	Should be improved offensively; defensive front line will have more experience, but weak in number; kicking game should be excellent in Cater and Zeman.	Ohio returns a strong nucleus of good ballplayers and some offensive and defensive standouts. Coach Hess believes this team can again seriously challenge for the MAC title.	New coach Dick Tomey brings his UCLA enthusiasm and plans to throw the football as the Rainbows enter fall practice with thoughts of being an improved football team.	Prospects are bright for another fine season if JC All-America Jim Freitas can produce the passing game that ex-Stanford assistant Dave Currey wants in his first year. Defense will be excellent.

BOWLING GREEN STATE UNIVERSITY

If it were a person, Bowling Green State University would be just three years from the mandatory retirement age; but as the commercial exhort, BGSU isn't getting older. It's getting better.

From its football team to its buildings to its academic programs, the University is putting on a new face. The slogan of "A New Look" can be used for more than just the football team.

Bowling Green is committed to the academic growth of its students and has developed new programs designed to meet the needs of its graduating men and women. In addition, the University is determined to provide the most modern facilities.

As the University begins its 67th year of existence this fall, steamshovels, cranes and construction workers provide physical evidence of the University's building program. Two new buildings are under construction, two older ones have been renovated, and there are plans to modernize others.

Construction is well under way for the \$9.6 million recreation center, located across Mercer Road from the Ice Arena. When completed in the fall of 1978, the new complex will house two swimming pools (one Olympic size), a multi-purpose area for basketball, tennis and other sports, handball and squash courts, a dance studio and an elevated jogging track.

Next to the recreation center, an \$8.75 million Musical Arts Building is being built. The new building will provide classrooms, practice rooms, offices, a 250-seat recital hall and an 850-seat concert hall for use by students and faculty in the College of Musical Arts.

McFall Center is getting a \$1.1 million new look and Moseley Hall is being modernized. In addition, plans are under way to demolish the Natatorium and expand the size of the gymnasiums which sit on either side of the present pool. The expansion would provide additional floor space for exercising, gymnastics, dance, judo, wrestling, fencing and karate.

Bowling Green's impressive physical plant also includes a nine-story library, a science-research complex, education building, student services building, business building, and a technology facility.

The University's academic program is keeping pace with the physical growth. The University now offers degrees through the Graduate College and the Colleges of Arts and Sciences, Business Administration, Education, Health and Community Services, and Musical Arts. At last spring's commencement, more than 2,200 students from 77 Ohio counties, 33 states and 11 foreign countries received degrees.

As an example of the effort to provide students with needed instruction, the University has redesigned part of its English program to provide additional coursework for students needing to improve writing skills.

The faculty has distinguished itself in teaching and research endeavors and last year more than \$5 million from outside agencies was granted to BGSU to fund various educational and research projects.

For the student-athlete or the Falcon fan, the athletic facilities include Doyt L. Perry Field, where a capacity crowd of 26,860 can watch the action; Anderson Arena with a 5,200 capacity for basketball; the Ice Arena which holds 3,500 for hockey games; Whittaker Track with its nine-lane all-weather Tartan surface; Steller Field which seats 2,000 for baseball games, 22 tennis courts and an 18-hole golf course.

The University is situated on a 1,247-acre campus in Bowling Green, 23 miles south of Toledo on Interstate-75. Enrollment is limited by law and remains at 15,000 full-time equivalent students.

PRESIDENT HOLLIS A. MOORE

Dr. Hollis A. Moore has been president of Bowling Green State University since July, 1970.

In recent years he has served as president of the Inter-University Council and the Ohio College Association, two of the state's higher education leadership groups. This spring he was elected to a two-year term as chairman of the Mid-American Conference Council of Presidents.

His belief that academic excellence is fully compatible with a strong athletic program has enabled him to exercise a strong leadership role within the National Collegiate Athletic Association (NCAA), urging other university presidents to participate in NCAA affairs and to work for equity and parity among institutions with respect to policies governing financial aid to athletes.

Closer to home, his leadership has enabled the University to develop programs to fit society's needs. New colleges, such as the College of Health and Community Services and the College of Musical Arts, have been added. Other programs, for which the demand was no longer as great, have been restructured.

Dr. Moore has worked to bring about other major changes: special programs for freshmen, a time shortened baccalaureate degree financed by the Carnegie Foundation, improved facilities and programs in residence halls and an up-dated system of planning and budgeting.

The intercollegiate athletic program, with Dr. Moore's encouragement and support, was reorganized last year to combine the men's and women's athletic programs into a 25-sport intercollegiate athletic department.

Dr. Moore has kept Bowling Green on a financially stable course, something difficult to do in these times of tight budgets. Bowling Green's room and board rates are among the lowest in the state and instructional fees are on the same level as most other schools.

Bowling Green continues its physical growth. Last year, the Alumni Center was opened and construction is now underway on two buildings, the Student Recreation Center and the Musical Arts Building. Also, several buildings have undergone extensive renovations to make them serviceable for years to come.

Prior to coming to Bowling Green, Dr. Moore was vice president of academic affairs at George Peabody College, Nashville, Tenn. Earlier (1960-64) he was dean of the College of Education at the University of Arizona. He was affiliated with the Kellogg Foundation of Battle Creek, Mich., for two periods—1955-60 and again in 1964-65.

Dr. Moore is a 1946 graduate of Baylor University where he studied history and political science. He earned his doctoral degree from the University of Texas in 1953.

When Dr. Moore has a few moments for leisure, he particularly enjoys tennis, platform tennis, swimming, skiing and fishing.

He and his wife, Marian, have a number of civic interests. The Moores have two sons, Andrew and Michael, and a grandson, Kevin.

JAMES HOF — As Bowling Green's vice president for public services, Jim Hof has direct supervision over BG's intercollegiate athletic program and the offices of alumni and development, publications and news and photography services. Before becoming vice president, Hof was the University's alumni director, director of university relations, executive director of the BGSU Foundation and a member of the Speech faculty.

He is a 1950 graduate of BG and received a master's degree in speech in 1951. From 1952-57 he was employed as a district sales manager with the Sunbeam Corp. He returned to BG in 1957 as director of admissions.

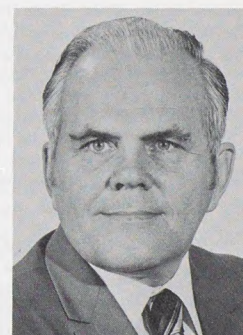

He and his wife, Joyce, are the parents of three sons and two daughters.

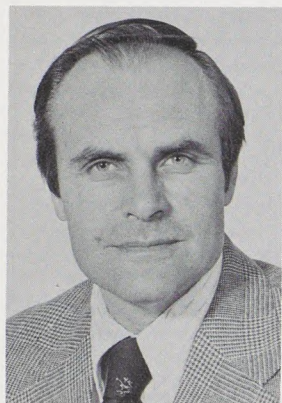

CARL HALLBERG — Serving in his sixth year as BG's faculty representative to the Mid-American Conference, Dr. Carl Hallberg is also chairman of the University's athletic committee. A professor of biology, he received his bachelor of science degree in 1947 from the University of Michigan where he also earned his master's and doctoral degrees in 1948 and 1951, respectively.

Dr. Hallberg started his teaching career at Bowling Green in 1951 as an assistant professor of biology. Active in his professional field, he was honored in 1964 by being named a Fellow in the American Association for the Advancement of Science.

He and his wife, Jane, are the parents of two daughters and a son.

ATHLETIC DIRECTOR DICK YOUNG

As the chief administrator for the largest total-sports program in the Mid-American Conference, Bowling Green State University's athletic director, Dr. Richard A. Young, doesn't have much time these days to stop and look back upon the achievements of the athletic program during his six-year tenure at the top.

As he enters his seventh year of administration, Young can take pride in an athletic program which last year attracted national attention by undergoing a massive reorganization which merged the men's and women's sports programs under one department from a standpoint of administration and budgetary control.

The reorganization plan, which has already been used as a model plan by other colleges, uses three basic areas of operations. The 22 non-revenue sports form one area with the revenue-producing sports of football, basketball and hockey forming a second unit. The administrative staff comprises the third operational area.

Young also continued to be visible on the national athletic scene as he accepted an invitation to join the board of directors of the U.S. Academy of Sports and presented BG's reorganization plan to the delegates at the National Association of College Directors of Athletics (NACDA) convention. He also is a member of the NACDA Gambling Awareness Committee for 1977-78.

The background of Bowling Green's athletic director is as follows:

EDUCATION: Young was graduated from Upper Arlington High School in 1950. He attended Denison University in 1951 before transferring to Ohio State. He was graduated cum laude with a B.S. degree in health and physical education from Ohio State in 1955. He continued his graduate work at OSU in 1955 until he entered the United States Navy as an ensign, winning his wings in 1956, and flying the Atlantic barrier for two years. He returned to Ohio State in 1958 and received his master's degree in education in 1959. He received his doctor of philosophy degree in educational administration from Bowling Green in 1975. In 1974, he received one of 66 "Outstanding Achievement" Awards presented to BG faculty and staff members.

PROFESSIONAL EXPERIENCE: Young joined the Bowling Green coaching staff in 1959 as an assistant football and head baseball coach. He retired as Bowling Green's winningest active coach in his 12th year with an excellent 184-146-6 record. He also served in 1970 and 1971 as an administrative assistant to the athletic director. For the 1971 spring term, he was appointed acting chairman of the Health and Physical Education Department while Dr. Sam Cooper was on a leave of absence.

ATHLETIC BACKGROUND: At Upper Arlington High School, Young lettered in football, basketball and baseball under Doyt Perry, former Falcon athletic director. He lettered in the same three sports at Denison University as a freshman. At Ohio State, Young lettered two years as a defensive halfback in football and participated in the 1955 Rose Bowl with the national champion Buckeyes. He was

Highlights Of Young's First Six Years (1971-1976)

- Designing and implementing a successful re-organizational plan for the intercollegiate athletic department which expanded from 12 to 25 varsity athletic teams after a merger with the women's program during the 1976-77 academic year.
- Finishing in the first division (top five teams) in the Mid-American Conference All-Sports Reese Trophy competition in five of the last six years, including a championship in 1972 and a runner-up spot in 1973.
- Producing 62 winning or break-even seasons in 85 opportunities (.729 pct.) for Bowling Green's 25 varsity intercollegiate athletic teams.
- Scheduling of at least one nationally-prominent football team each year through the 1983 season and the subsequent victories over Purdue (1972), Syracuse (1973 & 1976) and Brigham Young (1975) and a tie with 20th ranked San Diego State (1974).
- Continuing the growth of the intercollegiate hockey program which saw the Falcons rank among the nation's top 10 teams for the third straight year and place fifth at the NCAA championships during the 1967-77 season.
- Developing an 18-hole University Golf Course with a nine-hole addition opening in 1974.
- Implementing the "Management by Objectives" theory of administration in the athletic department with a decentralized system of operation.
- Improving the outside support and fund raising through the Falcon Club by almost 700 per cent in six years (\$14,000 to \$95,000).
- Improving total gate receipts in football, basketball and hockey and other income by more than 48 per cent from \$253,000 to \$484,000.
- Earning a reputation as a University of outstanding scholar-athletes with Dave Wottle and Sid Sink being honored among the top five student-athletes in the nation for 1972 and 1973 and six baseball and football players achieving Academic All-American recognition in the last four years.
- Creating new fund raising ventures with the development of an outstanding summer sports school, the BGSU Tennis and Golf Clubs and stadium rentals for concerts and other events.

named to the All-American academic team in 1954 and was Ohio State's recipient of the Big Ten Conference Medal of Honor for scholar-athletes in 1955.

PERSONAL: He and his wife, Sandy, are the parents of two daughters, Pam, 18, and Alyson, 17. An only son, Timothy, lost a battle with leukemia in 1974. For the last four years, he has been a board member of the Big Brothers of Northwest Ohio. Dick was born in Columbus, Ohio, on Jan. 3, 1932.

FALCON FOOTBALL TRADITIONS

AY ZIGGY ZOOMBA — The famous "School Spirit" song of Bowling Green State University. No one knows who wrote it. That's probably because no one wants to take credit for it. Please do not confuse with school fight song, "Foward Falcons." Song reached national scene when All-Pro halfback Mike Weger sang it in the film, "The Paper Lion."

Roll 'em down you BG warriors
Roll 'em down and win for BGSU

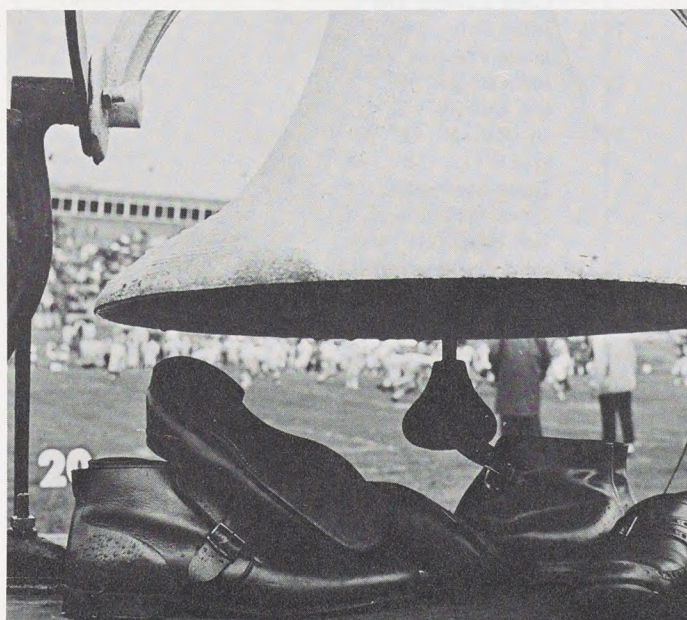

(Repeat the first four lines)

ALPHA TAU OMEGA VICTORY BELL — "Old Alpha" is one of the lasting traditions in BG football. The bell has been rung by ATO members following every Falcon touchdown and conversion since the opening game of the 1961 season.

COLORS — Burnt Orange & Seal Brown have been the University's colors since 1914, the first year of classes. A committee of Leon Winslow, industrial arts faculty member, and Mary Chapin, home economics professor, and one or more students suggested the colors. As the story goes, Winslow reportedly got the idea from watching a woman's hat on a bus trip to Toledo.

DAD OF THE YEAR — This football tradition was continued in 1973 even though Dads Day became Parents Day when Pete Meczka, father of tight end Greg Meczka, was selected for the honor by vote of the Falcon football team. The honor roll of "Dads" includes:

Year	Father	Son
1965	Walter Jones	Jerry Jones
1966	Joseph Jacques	Russ Jacques
1967	Ed Luettkke	Tom Luettkke
1968	John Gregory	George Gregory
1969	Arthur Zimpfer	Bob Zimpfer
1970	August Villapiano	Phil & John Villapiano
1971	Jay C. Maupin	Dennis Maupin
1972	Herbert Pittman	Bill Pittman
1973	Pete Meczka	Greg Meczka
1974	Vic Bakunoff	Vic Bakunoff
1975	Don Taylor	Don Taylor
1976	William Eyssen	Bill Eyssen

FALCONS — Ivan Lake, '23, managing editor of the Bowling Green Sentinel-Tribune with duties as sports editor, suggested the name in 1927 after reading an article on falconry. Before his idea, BG athletic teams were called the Normals or Teachers. He liked the name because it fit headline space for sports writers and the Falcon was "the most powerful bird for its size and it often attacked birds two or three times its size."

FREDDY FALCON — One of the nation's most famous mascots gets beheaded during the final basketball game of each season after boosting school spirit at all home athletic events during the fall and winter seasons.

HOMECOMING — Ivan E. "Doc" Lake founded Homecoming at Bowling Green in 1922. This fall BG will plays its 56th Homecoming game. The Falcons own a 32-13-9 record in Homecoming games. In the first Homecoming game in 1922, BG and Toledo played to a 6-6 tie.

MID-AMERICAN CONFERENCE

MAC OFFICE: Suite 230, 2000 W. Henderson Road, Columbus, Ohio 43220

Telephone: AC 614/457-3183

Commissioner: Fred Jacoby

Secretary: Sue Barnett

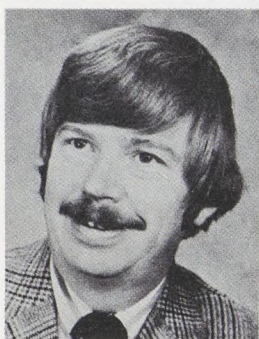

Information Director: Bill Linson

Since becoming Commissioner of the Mid-American Conference — only the third in the 28-year-history of the league — on April 1, 1971, **Fred Jacoby** has guided the Conference through its first expansion in 22 years.

Under his leadership, four new member institutions — Ball State University, Central Michigan University, Eastern Michigan University, and Northern Illinois University — have been added to the MAC, making it a ten-team league.

The 49-year-old native of Logan, Ohio, came to his present position from Madison, Wisconsin, where he had been commissioner of the Wisconsin State University Conference. Prior to moving into athletic administration he had been a highly successful high school and college football coach, as well as a basketball official at both the prep and collegiate level.

Bill Linson, 37, serves as the Information Director of the Mid-American Conference. His duties include media relations and supervision of the various Conference publications. Other duties include special projects as assigned by the Commissioner.

Prior to joining the conference, August 1, 1973, Linson was the Assistant Sports Information Director at Purdue University for 2½ years and during his tenure there edited and supervised the publication of Purdue's award-winning 1971-72 basketball press guide. His duties at Purdue also included complete editing, design, and publication of the football game programs.

Graduated from Indiana State University in 1965, Linson became his alma mater's first full-time Sports Information Director in 1966, a position he held until joining the Purdue staff in 1971.

BG IN THE BIG MAC

On May 23, 1952, Bowling Green State University became the eighth school to be admitted to the Mid-American Conference which became an official conference on Feb. 24, 1946.

Throughout those 25 years, Bowling Green has been involved in the following MAC historical highlights:

- May 20, 1955, Ralph G. Harshman of BG is elected President of the MAC for the 1955-56 year.
- June 1959, Bowling Green wins the all-sports championship in the first year of the competition.
- In March 1960, coach Sam Cooper's swimming team wins an unprecedented fifth straight MAC swimming championship.
- In May 1972, Bowling Green wins its second all-sports championship as the Falcons win baseball, track and golf championships on one day in May.
- In the summer of 1972, Dave Wottle became the first MAC athlete to win an Olympic gold medal in an individual event as he thrills the world with his cap and kick in the 800 meters.
- October 21, 1974, a press conference announcement is made that Bowling Green will be one of four teams playing in the first Cleveland Stadium Festival of Football.
- May 21, 1977, BG president Hollis Moore is elected chairman of the MAC Council of Presidents for a two-year term.

During BG's quarter-of-a-century of MAC championship competition, the Falcons have won or shared 26 championships in the nine league sports. The championships include six in football and swimming, four in basketball, three in golf and wrestling, and one in the other sports of cross country, baseball, track and tennis. Only Bowling Green and Miami have won championships in all nine sports.

ACADEMIC ALL-MID-AMERICAN CONFERENCE —

The MAC faculty representatives have selected an all-league academic team in football since 1965. Bowling Green has had 25 players honored.

ATHLETICS AT BOWLING GREEN STATE UNIVERSITY

Solidly connected by its "Roots" to a winning tradition and dedicated to excellence in performance, participation and public service, Bowling Green State University's intercollegiate athletic program continued its growth pattern during the 1976-77 academic year.

Like the ever-growing family tree, the athletic department branched out even more last year. The program doubled in size when 12 women's sports were merged with the men's 13-sport program.

The merger produced a 25-sport intercollegiate program for varsity teams which is the largest, total-sports program in the Mid-American Conference and one of the largest in the Midwest and the national major-college ranks.

Through the efforts and approval of President Hollis Moore, vice president for public services James Hof and athletic director Richard Young, the department implemented a reorganizational plan which attracted national attention for its unique organizational structure.

The department now includes three main divisions: (1) the 22-sport non-revenue area, (2) the three-sport revenue unit for football, men's basketball and hockey and (3) the administrative support staff unit.

From a performance and participation standpoint, the results were rewarding as more than 1,000 student-athletes combined their talents to win 55 per cent of their 669 contests. It was the 21st consecutive year that the school's sports programs have had a winning record of better than 50 per cent.

From a fiscal standpoint, the \$1.4 million budget is divided with the administrative and non-revenue areas primarily funded by the general fees paid by students. The revenue-sports division is funded by gate receipts and income from concessions, parking, guarantees, etc. Additional monies to help pay athletic grants-in-aid and recruiting expenditures are raised from private contributions made to The Falcon Club.

In addition to administration of the intercollegiate program, the athletic department is directly involved with both the educational and public service areas of the University.

The department supervises the University's 18-hole golf course, the Ice Arena and all of the athletic fields and facilities at the University. Through contact with club teams and an extensive intramural program, the department helped provide services to more than 16,000 participants last year.

Between 75 and 100 other athletic events sponsored by community, state and national organizations were also incorporated into the total public service program with BG's modern facilities being used for a variety of events and high school tournaments.

The athletic program also embraces the departments of health and physical education and physical education and recreation with service courses open to all students.

Following is a brief look at the recent history and current status of Bowling Green's 25 varsity teams:

BASEBALL — During Don Purvis' six-year coaching operation, the Falcons have averaged 28 wins a season, reaching a high in 1977 with a 36-18 record. The 1972 team won the MAC championship and ranked 13th in the nation. Playing in one of the best baseball conferences in the nation, catcher Larry Owen was a second-team All-America selection in 1977.

BASKETBALL — The dynamic John Weinert enters his second year of coaching as BG shoots for its fifth, first-division finish in the league in the last six years. The rich basketball tradition includes six NIT appearances, five NCAA tournaments, and four MAC titles. The last two NCAA champions, Marquette and Indiana, appear on the 1977-78 schedule. The women's team has finished second three times and fourth twice in six Ohio state championships.

CROSS COUNTRY — Another undefeated season and runner-up in the conference meet in 1976 kept the men's team rated among the best in the Midwest. BG has 19 winning seasons in 21 years and four, top-10 finishes nationally since 1969. The women's team placed 21st in its first try at the national championship.

FENCING — The women's team gained recognition as one of the best in the Midwest this past year with a 10-5 record. The men's team will improve as it faces its second year of varsity competition.

FIELD HOCKEY — A winning tradition should help the women's team become a winner again after a couple of hard-luck years.

FOOTBALL — Former Michigan State head coach Denny Stolz takes over the coaching duties and will be looking for the team's 22nd winning season in the last 23 years. That winning tradition places Bowling Green among the top 25 winningest teams in major-college football. An appearance in the nation's top 20 (19th) in 1973 and "big-game" victories over Purdue, Syracuse (twice) and Brigham Young highlight the 70's. Future games are booked with Iowa State, Hawaii, Kentucky, Michigan State, North Carolina, Washington and Baylor.

GOLF — Eleven tournament championships in the last six years and consistent "top five" finishes gives the men's team one of the best records in the Midwest. Success in the 70's includes two MAC titles and two "Top 30" finishes in the NCAA in 1972 and 1973, a MAC runner-up trophy in 1977, and the thrill of competition on the University's own 18-hole golf course. The women's team recently placed third in the Midwest (1975) and won the state championship in 1974.

GYMNASTICS — One of the fastest-rising BG programs from the standpoint of spectator interest and competitive skill, the women's team placed second in the last three state championships and was eighth in the Midwest meet last year.

HOCKEY — The Falcons placed fifth in the NCAA championships last year and won the CCHA playoff championship. Coach Ron Mason's team was ranked in the top-10 nationally for the third straight year. Averaging 20 wins a season in the last six years has attracted capacity crowds to one of the best ice arenas in the nation.

LACROSSE — In the last four years, the men's team has a 39-6 record which ranks as one of the best in the nation. Three Midwest championships and a 104-29 record in 12 years of varsity play are on the books. The powerful women's team claimed the 1975 Midwest crown and are 22-7-2 for the last two years.

SOCCER — In four of the last five years, Bowling Green has been rated one of the four best teams in Ohio. NCAA tournament appearances in 1972 and 1973 highlight the 1970's.

SWIMMING — The women's team owns four consecutive state championships and has finished among the top 35 teams at the national meet in two of the last four years. The men's team continues to shatter school records while preparing to move into a new Olympic-sized swimming pool in two years. A record five straight MAC titles (1956 to 1960) highlights the winning tradition.

SYNCHRONIZED SWIMMING — For more than two decades, the program has been regarded as one of the best in the nation.

TENNIS — The women's team placed second in the state and ninth in the Midwest in 1977 and boasts a 23-5 record in the last three years. The men's squad captured its third, first-division finish in the conference in the last four years.

TRACK — The men's team continued to attract national attention as the two-mile relay team placed second at the Drake and Kansas Relays in 1977. Highlights in the 70's include Dave Wottle's Olympic gold medal, Sid Sink's American record in the steeplechase, and second place in the 1972 NCAA indoor championships. The excellent women's team won its second straight Ohio championship and the first Mid-American Invitational.

VOLLEYBALL — The women's team rates among the best in the state and placed fifth in the 1976 state championships.

WRESTLING — With 21 non-losing season in the last 23 years, the Falcons have won three MAC team titles and produced 15 individual champions in the last two decades.
